PIPE AND TUBE

# YOUR COMPLETE SOURCE FOR ELECTRIC WELDED STEEL TUBE

An expansive size range and selection of structural tube, HY-50 structural pipe, mechanical tube, standard pipe and automotive tube, Maruichi Leavitt Pipe & Tube manufactures a diverse selection of tubular products for customers across North America. Everywhere you look, you will find Maruichi Leavitt.

## **HSS**

ASTM A500 Grades B and C

## **MECHANICAL TUBE**

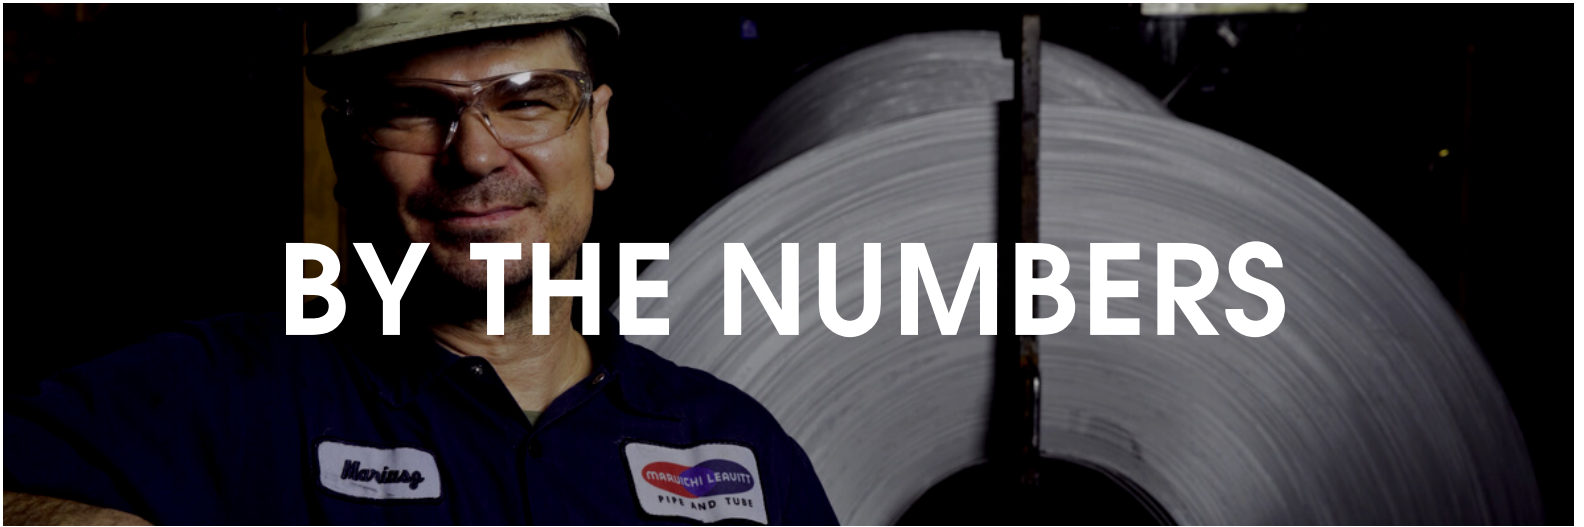

ASTM A513

## **STANDARD PIPE**

ASTM A53

## **AUTOMOTIVE GRADE TUBE**

ASTM A513, JIS G3445

# BY THE NUMBERS

## 775 THOUSAND

Square feet of manufacturing and storage under roof

## 4 TUBE MILLS

Providing a consistent product from run to run

## 65 YEARS

We have the knowledge and expertise to answer your toughest questions with our signature customer service

## 131 DIFFERENT SIZES

From 1/2" Square to 10" Square (and corresponding rectangles), .840" through 12.75", we run the tubular products you want

# EVERYWHERE

# MARUICHI LEAVITT

# QUALITY TUBE FOR ANY APPLICATION

Maruichi Leavitt Pipe and Tube can be found everywhere - in thousands of products, tools, machinery and structures. We support North America's infrastructure by instilling the highest level of quality, workmanship and dedication into the products we manufacture. Common applications include:

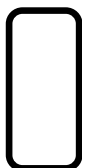

- Non-residential construction
- Alternative energy applications
- Farm equipment
- Hand rails
- Trailer hitches
- Guardrail (Box Beam)
- Automotive Seat Frames
- Furniture
- Ornamental Iron
- Gym equipment
- Tested Pipe

**0.375" - 12.75"**

**0.5" x 0.5" - 10" x 10"**

**0.375" x 0.625" - 8" x 12"**

**Wall Thickness**

.028" - 0.500"

**Mill Lengths**

19' - 60'

# WHY MARUICHI LEAVITT?

## **Signature Customer Service**

With 65 years of experience, we have the knowledge and expertise you need to answer the toughest of questions.

## **Vast Size Range, One Location**

We produce the sizes you use most - all out of one location. Thus saving you time and money.

## **A Consistent Product From Rolling To Rolling**

We have made the investments in our equipment to provide you with the assurance that Maruichi Leavitt sets the standard for quality tubular products.

## **Quality Driven**

Our quality system conforms to ISO 9001:2015 standards and is backed by an in-house quality control team and testing labs.

## **The Right Tools**

Our e-commerce system utilizes EDI to improve order efficiency and accuracy. In addition, our Customer Portal is available 24/7 to check stock, rollings and current orders.

## **Value Added Capabilities**

Let Maruichi Leavitt reduce your in-house costs by providing material ready for your use.

- **Recutting**
- **Custom Bundles**
- **Cut-to-length**
- **Weld on the short side**
- **Rail car shipments**
- **Saw-cut end finish**
- **Flash Removal**
- **Galvanizing**
- **Seam annealing**
- **And More!**

# SPECIALTY PRODUCTS

We manufacture a breadth of steel tubular products covering industry specifications and standards. Our items are produced to meet or exceed ASTM A500 Grade B & C, ASTM A513, ASTM A53 and JIS G3445.

In addition to our standard items, we will partner with you to find solutions in producing items that are designed for specific applications.

## High Strength Low Alloy Tubing

We can manufacture HSLA round, square and rectangular structural tube from a variety of high-strength steels. Depending on the specific grade of steel used, improved properties can be developed in the finished tubing. Improved properties include:

- Yield & Tensile Strength
- Corrosion Resistance
- Abrasion Resistance
- Impact Strength
- Weldability
- Formability

## ROPS Structural Tubing

We can manufacture tubing for use in Roll Over Protection Systems.

## Rack Tubing

We can produce square and rectangular steel tubing for a variety of racking systems including Standard Pallet Racks, Cantilever Racks, Portable Pallet Racks and Stacking Steel Pallets.

## Metric Tubing

In addition to standard sizes, we have the ability to manufacture metric sizes.

## **AUTOMOTIVE SIZE RANGE**

0.750" - 2.875" Round  
.5" Square to 2.25" Square (&  
corresponding rectangles)  
0.035" - 0.134" Wall  
Lengths from 2" - 98"  
P&O, Cold Rolled, HSLA

## **ASTM A500 SIZE RANGE**

1"x1" to 10" x 10"  
Corresponding Rectangles  
0.840" to 12.750"  
NPS Pipe Size Tube Dimensions  
from 1/2" Sch 40 through 12"  
Extra Heavy  
0.083" - 0.500"  
Lengths from 20' - 80'  
Weld on the large side

## **ASTM A513 SIZE RANGE**

.5"x.5" to 2" x 2"  
Corresponding Rectangles  
Rounds: 0.375" - 2.750"  
0.065" - 0.134"  
Lengths from 20' - 30'  
Weld on the large side

## **ASTM A53 SIZE RANGE**

4" Standard to 12" Extra  
Strong  
0.156" - 0.500"  
Lengths from 20' - 42'  
Flash Cut  
Seam Annealed  
Coated Mill Laquer

## PIPE AND TUBE

### INVESTMENT. INNOVATION. INTEGRITY

Maruichi Leavitt Pipe & Tube is your complete source for electric welded steel tube. We manufacture a full-line of steel tubular products including ASTM A500, ASTM A513, ASTM A53 and JIS G3445.
