Maruichi Leavitt Pipe & Tube Announces NEW Sales Representation in Southern Illinois, Missouri, Arkansas and Western Tennessee

Seated: L to R Michael and John Jr
Standing: L to R Dan and Jim

I am very pleased to announce effective March 1, 2018 the Phelan-Tramelli Sales Agency will be Manufacturer Reps for Maruichi Leavitt Pipe & Tube in the following territory: Missouri, Arkansas, the southern two-thirds of Illinois and the western half of Tennessee.

The Phelan Tramelli Sales Agency, located in St. Louis, Missouri has been in business since 1958. This highly respected Sales Agency is currently represented by the four Tramelli brothers Dan, John Jr., Jim and Michael, sons of the original co-founder John J. Tramelli.

Please join me in welcoming the Tramelli Family in to our family as Phelan-Tramelli begins their association with Maruichi Leavitt.

All the Best,

Patrick J. Knutson
Director of Sales

About Maruichi Leavitt Pipe & Tube

Maruichi Leavitt Pipe & Tube began producing mechanical steel tubing in 1956. Over the more than 60 years since, Maruichi Leavitt Pipe & Tube has evolved into an industry leader with one of the broadest size ranges of Structural, Mechanical and Hi-Y50 Pipe Size Tubing in the industry. Headquartered in Chicago, Illinois Maruichi Leavitt Pipe & Tube currently operates five tubing mills at our 850,000 square feet facility on Chicago's south side.
